

Built for service. Built to last.

As a privately held institution, our reputation as a trusted financial partner has been built through thoughtful, steadfast and principled banking since 1856. This legacy includes excellent asset management, strong liquidity, a diversified portfolio and sound margins. Our \$5 billion in assets provide strength for larger needs, while our people bring the adaptive expertise and by-your-side service needed to achieve your goals.

Enduring community commitment.

We are fundamentally a community bank, connected to our neighbors by more than business. So, we're happy to help organizations, individuals and families who need support. By giving back, more people in the places we call home can thrive.

2024 Charitable Giving

 ~\$886K donated in 2024 to 225 local organizations

 2,300 hours volunteered annually through employee paid time off initiative

Add years of experience to your team.

Together, we can do more at one of our over 30 full-service offices in Nebraska, Iowa, and Minnesota.

Our bankers are as determined as you are. They'll get to know your priorities, help you look around corners, and provide insightful recommendations to create a better path forward. With our high-touch service, industry-specific solutions, and dedication to your success, we're a partner that can give you an edge.
